

MARITIME FIRST AIDER

Dimitra Delfi

Registration No: mfa0013

Cert. Date: 15.3.2026

Valid Until: 15.3.2028

This individual is a SEAID Certified Maritime First Aider and has successfully completed training in maritime emergency care, including casualty assessment, first aid response, and emergency decision-making in vessel and sea environments.

The holder of this certification is capable of providing immediate first aid assistance on board until professional rescue services become available.
